Notice in accordance with the German Teleservice Law

The respective providers of third-party websites to which the publisher refers through so-called links are responsible for their websites. The publisher is not responsible for the contents of such third-party sites. Furthermore, the publisher's website can be linked to other websites by so-called links without the knowledge of the publisher. The publisher accepts no responsibility for representations, contents or any connection to the party structure of the publisher on third-party websites. The publisher is only responsible for foreign content if the publisher is aware of these (i.e. also of illegal or criminal contents) and it is technically possible and reasonable to prevent the use of such foreign content. In accordance with the German Teleservice Law, however, the publisher is not obliged to constantly monitor foreign content.
